eGovPlus is an Internet Kiosk, located on the City's web page, for the **Community Plus** applications. It provides the ability to search and display information about property records, permits, contractors, licenses, utility bills and other related information contained within **Community Plus**. Additionally, it allows qualified individuals to request inspections and update related information over the internet. You can request more information by contacting the responsible department under the “Contact Us” tab. For instance, one can view their utility account online. Go to [www.baytown.org](http://www.baytown.org), select EGovPlus, choose Utility Billing, enter search information, click account number, enter your PIN (last 4 digits of your SSN) and navigate site.
