A limited number of scholarships is available. All scholarships (both academic and financial need) will be awarded using a rating system based on the science teacher's recommendation form. Financial scholarships will be awarded based on the 2008 Area Median Family Income limits. Students may apply for both academic and financial need scholarships. If the student qualifies for both, the financial need scholarship will be awarded first. If additional funds are still available after the first round of scholarship awards, students may receive an academic scholarship for a second camp. **The scholarship application, teacher recommendation form and camp registration form must be received by the Wetlands Center for review by a scholarship committee.** Scholarship recipients will be notified in early May by e-mail or a letter in the mail. Scholarships will be awarded until all the camps are full or until all the scholarship money is allocated. **PLEASE PROVIDE AN E-MAIL ADDRESS ABOVE.**
