The Baytown Fire Department in cooperation with Wayne Wright Lawyers is sponsoring a smoke detector installation program. This program is titled Smoke Alarms in Every Home, a Charitable Campaign of Wayne Wright Lawyers. This program uses smoke detectors donated by Wayne Wright Associates. The on-duty Baytown Fire Fighters will install the smoke detectors in individual homes within the city's extra territorial jurisdiction of Baytown, **FREE** of charge. Our goal is to better protect, **YOU**, the private citizen with the help of early warning detection systems.
