Instructions for Science Teacher

The Wetlands Center is considering this student for a scholarship to attend Wade Into Wetlands Summer Science Camp 2026. The goal of this program is to ignite interest in science and increase awareness and appreciation of the environment. During this week-long summer program, students gain hands-on experience through indoor and outdoor activities.

Please complete this form and return it to the student's parent/guardian as soon as possible.

Based on your knowledge of this student and their participation in your science class, please rate the following using the scale below.

Rating Scale: 1 = Not at all | 2 = Somewhat | 3 = Average | 4 = Strong | 5 = Excellent
