

PERMITTING PROCEDURE FOR PRIVATE AMBULANCE SERVICE

The objective of this permitting procedure is to ensure the Fire Department is aware of all private ambulance services operating in the City by requiring the private ambulance companies to register with the Fire Department.

1 What is the purpose?

This ordinance ensures that the Baytown Fire Department has contact numbers and names for the local private ambulance services in the event of an emergency or a citizen complaint.

The permitting process will not impact ambulance services that transport patients TO Baytown. Ambulance agencies that pick-up patients within the City Limits must be permitted.

2 How much does it cost?

The proposed fees for permits will be as follows:

Application Fee (Plus 1 Ambulance):	\$250.00
Each Additional Ambulance:	\$100.00

3 What will you provide?

- Name, address and phone numbers of principle company officers
- Name, address and phone numbers of Local office
- Name, address and phone numbers for ambulance dispatch
- Name, address and phone numbers of the EMS Medical Director
- Number of units that will be permitted to operate in the City of Baytown
- Level of care that the service will provide (by TDSHS definition)
- Proof of public liability and property damage insurance with coverage limits
- Proof of current, valid TDSHS EMS Provider Permit
