**Eddie V. Gray Wetlands Center: Cost $150/camp 8am-4pm**

**1st-3rd Grades**

**June 15-19** Sensational
Ever wonder how we experience the world around us? Join us for a fun filled week of discovery as we learn about our five senses. Come prepared to touch, smell, hear, see, and taste your way through nature!

**July 6-10** Things With Wings
Mesmerized by wings? Then explore bats, butterflies, birds, and more in this week long camp filled with wings.

**July 27-31** Crafty Critters
Do you feel the need to be a little crafty? Then take a walk on the creative side! Join us for an exciting week of nature based arts and crafts.

**4th-6th Grades**

**June 1-5** Blast from the Past
Ever wondered how the first settlers of Texas lived off the land? Spend the week spinning wool into yarn, milking farm animals, churning butter, and playing pioneer games. Visit a pioneer town to get a glimpse into the past.

**June 22-26** Hook, Line, and Sinker
Grab a pole and some bait! We’re going fishing. Learn fish biology, techniques, sportsmanship, ethics and safety. Campers earn a TPWD Angler pin by attending this camp.

**July 13-17** Animal Super Powers
Can you jump 200x the length of your body...a flea can!

**Baytown Nature Center: $75/camp**

**1st-3rd Grades**

**June 29-July 3** Young Naturalists 8am-12pm
Spend the week becoming a naturalist! Go birding and fishing, learn how to identify insects, fish, and plants, and have a great time learning about our environment.

**July 13-17** Camp Egret 8am-12pm
Are birds and dinosaurs related? How do birds fly? What birds live here? Learn all about our feathered friends that call Baytown home.

**July 20-24** Camp Roly Poly 8am-12pm
Campers will explore the wonderful world of insects. What is a bug? What is an insect? What do they eat? Join us for a week of collecting and identifying the smallest inhabitants of the Nature Center.

**4th-6th Grades**

**June 15-19** The Night Shift 6-10 pm
Campers will get a chance to explore the insect night shift in this week of camp. Join us for a week of moth hunting, dirt digging fun while learning about the insect world.

**7th-10th Grades**

**June 8-12** Under the Lens
Campers will explore a variety of lenses – camera, telescope, microscope, binoculars, and even an eye lens! Each day we will use one of these lenses in fun, “eye-opening” ways! Haven’t you always wanted to see a cow eye lens?

**June 29-July 2** Outsiders
Ready to get outside and have some fun? This camp combines all of our favorite outdoor activities into one adventure. Be prepared to stay active as we try out each of these activities in a fun filled, physically active week. Due to the overnight campout, this camp will meet Monday and Tuesday from 8am-4pm and Wednesday through Thursday from 12pm-12pm.

**July 20-24** Animal Encounters
Join us for a week of animal discovery. Learn to use dichotomous keys and field guides to identify wildlife during exciting animal encounters. Who knows...maybe you’ll be the next Steve Irwin.

**7th-10th Grades**

**June 15-19** Wilderness Survival 6-10 pm
Do you have what it takes to survive in the wild? Can you make a shelter or a fire? This week campers will learn how to collect drinking water, make a fire safely, build a shelter, and more!

**July 6-10** What’s That?! 6-10pm
Did you see that? Where did it go? Spend the week hunting and searching in an awesome week long scavenger hunt with an environmental twist.
