

Baytown Nature Center

"RESTORING, PROTECTING AND SUSTAINING A NATURAL ENVIRONMENT"

AUDUBON BIRD SURVEY

The monthly bird survey at the Baytown Nature Center provides an opportunity to collect valuable data of birds that breed, winter and migrate through the nature center. No previous experience is necessary. In fact, this is one of the best ways to gain experience in identifying birds.

What: Houston Audubon Bird Survey

When: 3rd Thursday, 8 am

January-May & September-November

Where: Meet at BNC Visitors Center

Leaders: Jan & David Hanson
